To Whom It May Concern:

This letter serves as a recommendation for Brian Mizell as a Practice Partner consultant at Jupiter Medical Center, Inc.. Brian has worked on many implementations for us performing on-site training to physicians during activations, training providers on how to use Dragon in conjunction with Practice Partner and many other advanced features within the Electronic Medical Record.

Brian is very knowledgeable and communicates effectively. He is able to work independently with little direction. He works well with clinicians and providers and is able to help them grasp the various processes that are required to use the system.

We are currently using one of Brian's consultants in-house and frequently require Brian's assistance with our providers using Dragon and Practice Partner.

If you have any questions, I am happy to discuss Brian's qualifications and skill set. Please feel free to give me a call at 561.263.0470.

Sincerely,

A handwritten signature in cursive script that reads "Hilary S. Kloska". The signature is written in dark ink and is positioned above a horizontal line.
