To Whom it May Concern,

It is my pleasure to recommend Brian Mizell. His performance working as a consultant for York Hospital has been instrumental in educating our Practice Partner physicians and keeping our EMR rollout project on target. We currently have 45 Physicians and Mid-Level providers utilizing or in the process of training to utilize Practice Partners as our Practice EMR.

Brian has an excellent understanding of Practice Partner, Dragon, Citrix and the general workflow of both primary and specialty physicians. He is able to gain the respect of providers and IT staff quickly. The bottom line is that Brian delivers what he promises as a consultant. I am able to give him the highest recommendation.

If I can be of further assistance, or provide you with further information, please do not hesitate to contact me. You can reach me at 207-351-2391.

Sincerely

Robin W LaBonte
